A computer engineering student at ITU would like to develop projects in object-oriented programming languages such as Java and C++ especially on the mobile side in the short term. In the long term, to participate in projects that are integrated with artificial intelligence.

EDUCATION

Computer Engineering
Istanbul Technical University
2017 – Present   *2.42/4.0*

Computer Engineering
Ankara University
2015 – 2017   *Undergraduate Transfer with GPA 3.43/4.0*

High School Degree
Kocaeli Anatolian High School
2011 – 2015   *88.2/100*

WORK EXPERIENCE

Assistant Student
ITU Head Office of Information Technologies
11/2018 – Present   *Istanbul*
Provides, organizes and disseminates the use of information technologies within the Istanbul Technical University

Achievements/Tasks
- Assisting the users of the university network and services.
- Taking projects from Software Development Group of IT Head Office (Mobile application development with React Native, Java design patterns, websites,etc.)

Intern
Siemens
07/2019 – 08/2019   *Istanbul*
Global powerhouse focusing on the areas of electrification, automation and digitalization.

Achievements/Tasks
- Taking a project from IoT department made me better in C#, API and also socket programming.

ORGANIZATIONS

ITU Alumni Association Club (2017 – 2018)
Member

IEEE Computer Society (2015 – 2017)
Member

SKILLS

C++   Java   C#   C   Html and Css

React Native   Python   MsSQL

Microsoft Office

PROJECTS

Opennes Tool (07/2019 – 08/2019)
- TIA Portal Cloud Web Application with using Openness

COURSES

Object Oriented Programming-Java (80 Hours)
Elginkan Foundation

Querying SQL Server 2016 (32 Hours)
ITU Head Office of Information Technologies

CCNA R&S Fundamentals (32 Hours)
ITU Head Office of Information Technologies

Basic System Administration (40 Hours)
ITU Head Office of Information Technologies

Android 101 & 201
Turkcell

Power of The Story (10 Hours)
ITU Alumni Association Club and Toksöz Group

V-Inception
Vestel

LANGUAGES

Turkish
Native or Bilingual Proficiency

English
Professional Working Proficiency

INTERESTS

Oil Painting   Computer Games

Cinema Blog
